

Cream Cheese Icing

Ingredient

- 2 8oz Cream Cheese, soften
- 1 cup Butter, soften
- 1 7.5 oz marshmallow fluff

You should always have a desert arsenal on, you never know when you just might need one or want one.

Directions

Cream cheese Frosting

In a medium size bowl, beat cream cheese and butter together on medium speed till smooth and creamy.

Add marshmallows fluff to cream cheese mixture and combine completely.

Once everything is mixed well, keep in well-sealed container till ready to use or up to 5 days.
